## My Saint-Gobain journey

ANDREW STORER, WAREHOUSE TEAM LEADER

Ever wondered what it takes to keep a warehouse running smoothly? Join Andrew in this video on our Instagram careers page as he takes us through his daily routine.

It's all in a day's work at Okarno — where leadership, precision, and teamwork come together!

Don't forget to submit your carbon-cutting ideas by April 22nd to be in with a chance to win.

Previously... Weber won €120k from the Water Fund to fund their water reduction initiatives and British Gypsum in Kirkby Thore previously won funding for new insulation, LED lighting and triple glazing.

## Learning Tips

### Finding Your Unique Strengths Skillbook

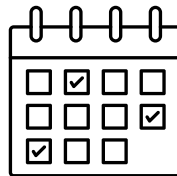

In this session, you'll discover what employers or customers value most, assess yourself against others using key dimensions, and identify your Unique Selling Point (USP). By the end, you'll have the tools to leverage your strengths and stand out in your career or business.

## Recruiting corner

This month, meet Mux—one of our dedicated Internal Recruitment Partners! In this video, she shares insights into her recruitment background and what it's like to work with her. If Mux is your recruiter, you'll get a glimpse of her approach to finding and securing the best talent for your team. Don't miss it!

## Introducing EnveoVent

Officially launched in March! An innovative collaboration between five Saint-Gobain brands has led to the development of an exciting new lightweight, sustainable offsite wall system for the housing market. EnveoVent includes Saint-Gobain products and services from British Gypsum, Isover, Okarno, Scotframe and Weber.
