The Carbon Fund is celebrating its 5th anniversary and is more committed than ever to making the Region more sustainable! This year, we challenge you to think bigger about sustainability and consider all its aspects. That's why you can now submit projects in five key categories:

-  Carbon
-  Climate Resilience
-  Circularity
-  Water
-  Biodiversity

Click on the carbon fund character to learn more and see the highlights from 2024!

Sustainability News

This month for sustainability news we are highlighting Formula. Formula Newark has been granted €100,000 from the Water Fund to complete the pre-engineering phase of a water treatment and recycling project. [Click here](#) to learn more and why it's been described as being like the Blue Lagoon in Iceland.
