Can we really have it all? Balancing career and family life. In this final episode of the series, join Anika, Amie, and Valentina as they try to answer the age-old question: can we have it all? They discuss how they try to balance career and family life, and what advice they'd give to other working parents and carers out there. Click on the podcast icon to hear the full story.

Knowing and understanding our purpose MAKING THE WORLD A BETTER HOME is fundamental to sharing a common direction.

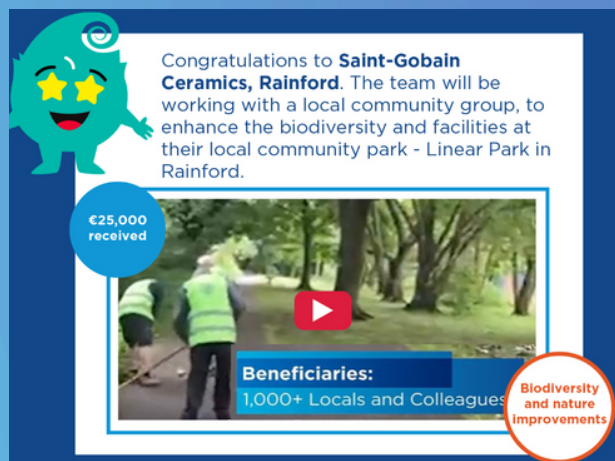

In this training course module, we invite you to understand the meaning of our Purpose, to explore its different facets, and to learn how we can all steer our actions, to get involved every day and build a better world together.

Click to get started today. It's only 10 minutes long!

## Sustainability News

Congratulations to our three 2025 Carbon Fund Winners; Ceramics, Glass and OSS. Each month we will reshare the comms of the winners this year. This month we celebrate Saint-Gobain Ceramics. [Click here](#) to see what they will be investing in at their site in Rainford.

## Recruiting corner

Get to know Josh Smith, a key member of our internal recruitment team. In this video, he talks about his professional background, his experience in recruitment, and what you can expect when partnering with him to grow your team. Whether you're hiring for one role or scaling fast, Josh brings a thoughtful and proactive approach to every search.
